Chapter V Monarchy Democracy And King Bhumibols

Chapter 1: Constitutional Monarchy can be described as, A form of government in which a king or queen are the head but the rules are made by a parliament and Parliamentary Democracy as A party with greatest representation in the parliament and its leader becoming the prime minister or chancellor.

Difference between Democracy and Monarchy & Their Comparisons
Monarchy: Monarchy is a form of government in which only one person will be the main authority in ruling the country. In general, monarchy’s position is inherited. The people of a country have no say on electing their ruler. The ruler may form policies which are beneficial for him but not for the
country, or the ruler may be incapable of performing his duties efficiently.

Chapter 5: Government Flashcards | Quizlet
1. Monarchy is a form of government where a state is headed by a monarch while democracy is a government headed by elected representatives. 2. Power and position is passed through heritage and bloodline in Monarchy while democracy principally supports elections (people’s choice).
