The Square Halo and Other Mysteries of Western Art: Images ... The Square Halo and Other Mysteries of Western Art: Images and the Stories That Inspired Them. Through the centuries, artists have relied on symbols, gestures and stories - which often make no sense today - to convey complex meanings. This book is a key to the iconography of Western art, covering both Judeo-Christian and secular symbolism.

SIGNIFICANCE OF HALOS - CATHOLIC TRADITION
Some variants of the halo: (For an example, see mosaic of Pope John VII at the beginning of this post. Other examples of square halos are found at Santa Prassede in Rome, found in a mosaic of Pope Paschal I (c. 820) and a mosaic which includes a woman specified as "Theodora, Bishop" ).

The Square Halo and Other Mysteries in Art: Images and the ...
The idea of art for art's sake is a relatively new one -- the idea of using art solely for aesthetic reasons is largely one of the modern age.

Square Halo and Other Mysteries of Western Art: Images ...
Halos come in many forms, hollow or full, head-only or bodily encompassing, and, of course, square. Square?? Of course (the title of the book had to have derived from something, after all). One image that is used is that of Pope John VII, who is portrayed in a mosaic in the Vatican Museums. A square halo is a symbol.

Achievements. The trust has a budget of approximately £25m (approximately $40m). It receives support from the UK government and other governments around the world including Finland, Norway, Germany, Netherlands, Ireland and New Zealand. In 2014, the UK Foreign and Commonwealth Office supported HALO with £2.8m.

Square Halo Books
Square haloes were sometimes used for the living in donor portraits of about 500-1100 in Italy; Most surviving ones are of Popes and others in mosaics in Rome, including the Episcopa Theodora head of the mother of the Pope of the day. They seem merely an indication of a contemporary figure, as opposed to the saints usually accompanying them, with no real implication of future canonization.

2020 Conference — Square Halo Books
Halos are orbs, denoting light, holiness, and majesty, that encircle the head of a known holy person, Blessed, a Saint in Heaven, Angels, and the Blessed Trinity in art. In the beginning of the Church, holy persons and God were not pictured with halos because the halo was of pagan derivation.

The square halo and other mysteries of Western art...
C.S. Lewis, J.R.R. Tolkien, and the other writers would meet weekly at a pub in Oxford, England called the Eagle and the Child. Many of the famous works of literature we know them for today were a result of these friends reading and critiquing each other's early manuscripts. Our Square Halo Conference is inspired by this robust fellowship.
